Dear Mr. Scott Rosmarin,

This is a courtesy email communication to advise you that EPA Region 2's Regional Judicial Officer (RJO) has issued an Order granting Camp Rosmarin, Inc. and Rosmarins Land Holding, LLC's request for a 30-day extension of time, until August 25, 2017, to file an Answer to the Complaint in this matter.

You should be in receipt of the Order that was mailed out on July 25, 2017 soon.

As per our conversation of July 20, 2017, shortly I will send an email communication providing you with prospective dates and times EPA representatives and myself will be available to schedule an informal settlement conference call or meeting with you as you requested. Upon receipt, you may advise me which of the dates and times will work best for you and any other representative of Camp Rosmarin, Inc. and Rosmarins Land Holding, LLC, and whether you prefer a conference call or an in-person meeting. Please be advised, if it is the latter, EPA Region 2 has offices in our Edison, NJ facility and our lower Manhattan facility.

Sincerely,

Melva J. Hayden
